## *About us*

*We aim to offer you a comprehensive catering service, be it for a cosy two or a gathering of up to one hundred and fifty 'picnicees'.*

*The first step is to choose your hamper-do you want to borrow or buy? Next you can choose from our range of picnics. Feel free to modify them if you want to (just give us 48hrs to confirm availability of your requests and to let you know if they will incur a small extra fee). If none of the picnics take your fancy then design your own, either by yourself or with the help of one of our team. We'll source all the items you want and let you know how much it will cost within 48 hrs.*

### **Choosing your hamper**

*You can borrow a hamper from us for free. However we do ask that you surrender a £30 deposit/ keys to your car/ spouse/ Rolex watch which we will return to you when you bring back your empty hamper (we'll even do the washing up for you).*

*Alternatively you can come and choose one of our range of hampers to buy. We'll fill it with your chosen picnic and you just get off and enjoy your feast! We'll just see you when you come back for your next picnic.*

*Every picnic basket you buy from us comes as limitlessly refillable- contact us with your chosen menu in advance, bring in the basket and give us 10 minutes to pack everything up. We'll even give you a 5% discount each time you return and a cup of tea or coffee on the house whilst you wait for your picnic.*

*All hampers come with all the cutlery, crockery, glassware, napkins and condiments that you could possibly need.*
